PRESIDENT'S REPORT

As we enter the 61st year of the Eastern Suburbs Athletic Club and prepare to celebrate our 60th Anniversary later this month, it is interesting to sit back and see how the sport in Tasmania has changed over the last ten years, and in particular over the last twelve months. It was also extremely disappointing earlier this year to farewell 2 of our longest serving Life Members, George Norris and John Caulfield, who both passed away recently.

The summer competition we are about to commence will see Athletics South grow to 6 Clubs with the addition of the UTAS Athletic Club. This has seen a number of ESAC athletes change clubs, and we wish them all the best in their future endeavours. Is this a forward step for the sport? That remains to be seen and hopefully it will see new people brought into the sport and not just a "reshuffling of the deckchairs". We have also had a rather drawn out AGM process for Athletics Tasmania, as well as a new EO employed, and hopefully the changes which have come out of this will also benefit the sport both short and long term, hopefully overcoming some of the frustrations that have been encountered dealing between the different levels of the sport. .

Thank you to the committee who again have done a fantastic job, and it is pleasing to see that the majority have renominated for the coming year. It is pleasing to see that Aaron Humphrey has stepped up to the role of Vice President, which is hopefully a sign of potential change for the near future. I also acknowledge the service of the Newson family, Sallie as a committee member, Caitlin as Club Captain and athlete, Robbie as a coach, and Kye as an athlete, who all unfortunately for the Club, stood down from their positions during the year due to relocation..

We continue to have a small dedicated group of volunteers who help out at a number of fundraising activities, as well as during competition, but for the future of the club to be secure, we really do need this group to get larger, and avoid the misconception that the Club and sport are babysitting services. Even little jobs like packing up the shade tents at cross country and at interclub continue to be neglected, but I am pleased to say there are a number of our older teenager athletes who are starting to accept more responsibility, reinforcing that the sport and Club is as much a part of personal development as it is a part of athletic development.

As we prepare to celebrate 60 years of the Club later this month, I would like to thank the previous year's committee and leadership group, and specially mention Peter Turnock and Lynne Welling for their ongoing commitment to welcoming and coaching a large amount of new and returning athletes twice a week, regardless of weather.

I am confident that the Club can lead the sport in moving forward from the turmoil and confusion of the last year at various levels, and hopefully continue to make athletics the sport of choice for as many people as possible in southern Tasmania.

Treasurer's Report 2014-2015

For the year ending 30th June 2015, the Eastern Suburbs Athletic Club Inc. recorded a profit of \$4,977.56.

The balance of the working account was \$13,801.58 as at 30th June 2015. Our two term deposits remain and any interest received on them during the year has been reinvested. The larger term deposit, \$16,213.91 is due to mature on 14 March 2016, and the smaller deposit of \$6,509.24 is due to mature on 19 September 2015.

The income and expenditure statement is generally self-explanatory, however general expenses needs further explanation as there were a few large costs. Firstly ESAC's purchase of a Club storage container within the new storage shed at the Domain, \$1,080.00, and secondly, relay costs of \$429.00.

This year the club has continued to allow athletes to conduct their own fundraising through chocolate selling. As of 30 June 2015 the club has a liability of \$858.92 made up of the money raised by athletes.
